GeoFair, Cincinnati's Largest Non-Profit Gem, Mineral, Fossil & Jewelry Show, will dazzle visitors from 10:00 a.m. to 6:00 p.m. Saturday, May 2, and 11:00 a.m. to 5:00 p.m. Sunday, May 3, at the Sharonville Convention Center 11355 Chester Road. The 55th annual GeoFair will highlight the theme: "A Selection From My Collection." Exhibits do not have to follow the show theme.

Since 1965, GeoFair has introduced thousands of families to the pleasures of the earth sciences including collecting minerals and fossils, making jewelry and studying geology. Experts at GeoFair will identify any fossil or mineral specimens or any items of jewelry. Dozens of displays showcase the rare "finds" of amateur collectors. GeoFair is produced by the Cincinnati Mineral Society and the Cincinnati Dry Dredgers, an association of amateur paleontologists.

Plentiful free parking is available at the Sharonville Convention Center.
